That's when the fighting started...

My wife sat down on the couch next to me as I was flipping the channels. She asked, 'what's on TV?' I said 'dust'. And then the fight started...

When I got home last night, my wife insisted that I take her to someplace expensive. So I took her to the petrol station. And then the fight started...

At my high school reunion I kept staring at a drunken lady sitting alone at a nearby table. My wife asked, 'do you know her?' 'Yes' I sighed 'She's an old girlfriend, apparently started drinking after I left her. She hasn't been sober since!' 'Goodness' said my wife, 'who could imagine a person could go on celebrating that long?' And then the fight started...

SHORT TERM INSURANCE BONUS

The best has gotten better.

If we are your short term insurance broker you've become accustomed to receiving an annual bonus on your short term insurance premiums. In December of 2008 this bonus got even better. You received an 8.50% bonus. That is more than one month's premium for free, irrespective of your claims history.

Don't waste another minute; call Rejaune or Michelle today on (012) 348 5452 for an obligation free quote.

SHORT TERM INSURANCE

A new year

It's the start of a new year and the ideal opportunity to have a closer look at your short term insurance cover. The insured values of your vehicles and property has to be adjusted and you have to ensure that any items you bought during the year are covered in your policy.

If we are your broker, the lucky members that received an 8.50% bonus on their insurance premiums last year, you will be contacted by one of our consultants on your policy's renewal date. Then you'll have the opportunity to adjust the abovementioned values and add those 'new' items. If you can't wait for our call you can contact Michelle or Rejaune to help you with the adjustments.

Please ensure that you have sufficient insurance cover. Saving a few rand a month while you are under insured may eventually cost you a fortune.

Forget health food. At my age I need all the preservatives I can get hold of.

VEHICLE FINANCING

Financing without compromise

With the lowering of interest rates, now might be the ideal opportunity to buy your next vehicle. All our vehicle finance rates are linked to prime. As the prime lending rate decreases, so does your interest rate and your monthly instalment.

Why are we different from the other financial institutions? We charge no monthly administration fee on your finance account, no penalty interest for early settlement and best of all we provide quick professional service.

Call Joanie or Angelique today on (012) 348 5452 for more information.
