## R2 500\*

Congratulations to Adri Stephansen of Wierdapark in Centurion. You are our February 2009 winner!

Your **R2 500** is on its way.

Adri says 'wil Koopkrag graag bedank vir die wonderlike prys, dit is regtig baie welkom, die bedrag gaan aangewend word vir my dogter se troue'.

**TWO APPROVED MEMBERS REFERRED BY YOU = ONE CHANCE OF WINNING THAT MONTH'S R2 500.**

*\*Terms and conditions apply. Keep an eye on our newsletter, our website and the monthly account statement for the latest winner's details.*

**My co-workers sympathized one day when I complained that my back hurt after moving some furniture. 'Why didn't you wait until your husband got home?' they asked. 'Well, I could have' I replied, 'but I find the couch easier to move if he's not on it.'**

**My wife has trouble opening jars. Apparently that involves a different set of muscles than slamming doors.**

**Men, remember, no man has ever been shot while doing the dishes.**

## SHORT-TERM INSURANCE

*Oops!!*

Unfortunately for all of us, accidents do happen. Luckily we do have short-term insurance.

What to do?

As far as motor vehicle accidents are concerned you have to report the accident within 24 hours after the incident, at the Police Station closest to the accident scene.

And insurance?

You have to report your claim at the SANTAM claims centre within 30 days after the incident. Their number **0860 505 911** is available 24 hours 7 days a week. You'll need your identity number or the policy number to report the claim.

**8.50% bonus on your short-term insurance premiums**

After you have reported your claim you'll receive your claim number by SMS. SANTAM will also contact you to make the necessary arrangements for the assessor etc. Should you, at any time, feel unhappy with the service you are receiving, you can call us during office hours at **(012) 348 5452** and we will gladly assist.

My claim is being repudiated, what now?

You have three months from the date that SANTAM informed you of their decision to object in writing. We will, if at all possible, assist you with your objection.

Please ensure that you have sufficient insurance cover. Saving a few rand every month, while being underinsured, can cost you thousands.

*I'm so old whenever I eat out, they ask for payment up front.*

*At my age everything I buy comes with a lifetime guarantee.*

## CARD EXPIRY DATE

*Your Koopkrag card expires automatically*

Your purchase card expires every two years. A replacement card is issued automatically. We'll notify you by letter, well in advance, that your card is about to expire. Please read this letter carefully as it will explain the procedures that will follow. If applicable you will receive a delivery notice from the Post Office to collect your card. If you don't receive your notice, you can call our Card Division for the necessary reference numbers.

## say what?

Koos walked into a bar and ordered three beers. He sat down at a table taking a sip from each glass alternatively until all three glasses were empty and ordered another three beers. The curious barman wanted to know what was going on. Why would he order three beers at once? Koos explained that his one brother lived in Australia and that his other brother had emigrated to New Zealand. This is how they decided to drink their beer in future, to remember the good times when they used to drink together. This happened for a number of months. One day Koos ordered only two beers. The shocked barman immediately asked what had happened to his brother. To which Koos replied 'nothing really, it's me, I've stopped drinking'.
