Collecting your card from the Post Office

Yes, I know we seem to repeat certain aspects regarding Koopkrag all too often, but delivering your new purchase card is rather important.

We have it on good authority (a number of members told us) that the hard-working personnel of the Post Office are finding it difficult to make up the backlog caused by their recent strike action. Apparently there are post bags dating from this period that have not been sorted yet. Yes, I know we've all been raised to be polite and considerate but it's time to demand some action and make them look for your card.

From our side we'll be making life just a little bit more unbearable for the Post Office management responsible for this service.

2009 Bonus

Like you, we are just as excited about the December Koopkrag bonus. But unfortunately, at this stage, we don't know what the bonus is going to be!

As you've read in last month's newsletter the 20th of September was our yearend. Like all companies we have to be audited before our final results are available. This whole process should be completed by the middle of November 2009 whereafter the final bonus payments will be known. You can either wait till then before you call us or wait for your December 2009 account statement and see it in 'black and white'.

Card transaction fees

As our service provider increased their fee per card transaction they left us no choice but to do the same.

As from the 16th of October 2009 our purchase card transaction fee will increase from 60c per transaction to 65c per transaction, an increase of 8.33%.

Internet payments

Please use your member / account number as reference and not our bank account number (069 000 0008) or branch number (323145) when you pay your account via the Internet.

SANTAM competition*

Yet another competition this month. Answer correctly and one lucky Koopkrag member can win another golf umbrella.

Name one of our friendly consultants in the Koopkrag broker office. Fax your answer, together with your member number, to **(012) 348 2339** attention SANTAM or e-mail it to santam@koopkrag.com. The name of the winner will be announced in next month's newsletter.

Congratulations to Dr Stefan Gericke of Villieria, Pretoria, the winner of last month's competition and a golf umbrella. The answer was **KOOPKRAG** of course! We pay our members an annual bonus equal to 8.50% of their Santam short-term insurance premiums and not Santam as many of you answered.

Earn an annual bonus of up to **8.50%** on your SANTAM short-term insurance premiums by appointing Koopkrag as your broker.

say what?

Men versus women

Photocopiers are female, because once they are turned off, it takes a while to warm them up again.

Hot air balloons are male, because to get them to go anywhere, you have to light a fire under their butt.

Remote controls are female, because it easily gives a man pleasure, he'd be lost without it and while he doesn't always push the right buttons, he keeps on trying.

Hammers are male, they've hardly changed in the last 5 000 years and are occasionally handy to have around.
