IMPORTANT

Due to numerous requests we've decided, as we've done in previous years, to open the December purchase account earlier than usual on Saturday, 12 December 2009. This is an exception. From January 2010 the opening date will revert back to the usual 16th of each month.

Difficulty with card purchases?

Have you experienced difficulty in the last few weeks paying for your purchases with your Koopkrag card?

Koopkrag utilises Nedbank's 'platform' to run our card system. Should any problems occur with either this 'platform' or Bankserv's system (inter bank transactions) you will experience difficulty in paying with any card. Please be patient and allow the employees of the supplier to help you.

Automatic limit increases

In previous years we automatically increased your purchase limit in the bonus month (16 November to 11 December) to enable you to use the bonus you have earned on additional purchases. Unfortunately, under the National Credit Act, this is no longer allowed. We need your permission to increase your limit.

If you're interested in a temporary increase of your purchase limit for the bonus month, please fax your request to (012) 348 2339 or e-mail it to koopkrag@koopkrag.com attention Card division.
