## FEBRUARY 2007

### Your monthly purchase limit:

To avoid any misunderstanding we would like to draw your attention to the following facts regarding your monthly purchase limit.

1. Your monthly purchase limit applies to all **purchases** made with your card(s) from the 16<sup>th</sup> of the month to the 15<sup>th</sup> of the following month.
2. Your monthly purchase limit does not increase automatically if you deposit additional amounts into your Koopkrag account. If you require an additional purchase limit, you will have to notify us well in advance to ensure its availability.
3. Should the purchase amount exceed your available purchase limit, the system can decline the transaction. Then it is up to the supplier's personnel to obtain authorization for the purchase. This can be time consuming and the possibility does exist that the transaction will still be declined. That is why it is of the utmost importance that you ensure that you have sufficient limit available for your intended purchase. Save yourself the embarrassment by confirming the available balance beforehand.
4. Unfortunately it does sometimes happen that a transaction is declined due to technical difficulties. Please be patient and allow the supplier's personnel to help you.
5. As from June 2007 we will, according to the new National Credit Act, no longer have the right to increase your purchase limit automatically. With your permission and after we have assessed your latest financial information we can, if you qualify, increase your purchase limit. You will receive a more detailed document in this regard before the abovementioned implementation date.

We are committed to brisk accurate service and would like, if possible, to ensure that your purchase facility is sufficient. By keeping us up to date with any changes regarding your personal information you make our task that much easier. Your cooperation is appreciated.

**Be a winner with KOOPKRAG short term insurance and receive a 7% bonus on your premiums**

A member, Mr. A.B.C. Nel, wrote that our motor- and household insurance is the best! He describes a very uncomfortable situation where a water main burst and caused major damage to the storage in his garage. Luckily the friendly short term insurance staff and speedy pay-out of his claim, helped Mr. Nel to adequately cover his loss. Mr. Nel, like any of our members who submitted claims, will still receive his 7% bonus on his premiums.

Don't miss the opportunity to pay group tariffs through KOOPKRAG and to still receive a bonus on your premiums. For more information, please contact *Michelle van Eck, Riki Eggel or Rejaune Roos* on 012 348 5452.
