*\*if applicable*

## Public holidays

During the coming Festive Season our office will be closed on the following public holidays, Monday 17 December, Tuesday 25 December and Wednesday 26 December. **PLEASE NOTE** that our office will also be closed on **Monday 24 December**. Emergency numbers are available on the reverse of this newsletter and on our website's homepage.

## Short-term insurance

With the arrival of the Festive Season it's even more important than usual to ensure that you have sufficient short-term insurance. It's also the 'unruly' side of society's festive season. You have to ensure that you comply with the terms and conditions of your short-term policy. Do you have sufficient insurance for those items you're taking with you on holiday? Are all your vehicle's accessories covered? Do you have cover if travelling beyond our country's borders? Do you know your insurer's emergency number(s)? Is the emergency number readily available? What do your insurer's emergency services entail? Call our brokers at 012 348 5452 if you have any queries in this regard.

## Mathematics

Are any of your children or grandchildren struggling with mathematics (grade 1 – 12)? 'WhatsApp' the problem or an image of the problem to 072 409 7505 and you will receive a response within 48 hours.

*Brought to you by mathdou & Koopkrag. In the interest of our children's future.*

## RECRUIT A MEMBER\*

**Recruit a new Koopkrag member and we will give you R150 per approved application. The new member's account will also be credited with R100 as soon as their membership is approved and they make their first purchase.**

You can call Ina or Dévonne on (012) 348 5452 or fax the potential member's detail to (012) 348 2339 or e-mail their detail to [bemarking@koopkrag.com](mailto:bemarking@koopkrag.com)

## Settling your Koopkrag account

With the 2018 bonus year a thing of the past this might just be the ideal opportunity to remind you that for the purchases of a particular month to qualify for the annual bonus, the account needs to be settled on or before the 3<sup>rd</sup>. We can unfortunately not make any exceptions as these funds are required for negotiated settlements.

## Say what?

The importance of walking. I like long walks, especially when they are taken by people who annoy me.

The importance of walking. I have to walk early in the morning, before my brain figures out what I'm doing...

"OLD" IS WHEN..... You don't care where your spouse goes, just as long as you don't have to go along.
